Reflection of the week from Mari Palmer Diocesan Director of Education
For the Lentern theme of togetherness we have enjoyed this poem highlighting the strength of being together. Unity's Embrace. In this poem, the vibration of togetherness rings true, celebrating how communities flourish in unison through challenges.

The sun sets low, its golden light,
As hearts entwine, bringing forth delight. In laughter shared and burdens shed,
We find the strength for paths ahead.
The whispers of hope in voices blend, In every meeting, we find a friend.
Together we stand, united we thrive, With the grace of spirit, our bond will survive.

Yours sincerely
