Reflection of the week
On My Heart
Give thanks to the God of heaven.
His love continues forever
Psalm 136:26
We sometimes use the phrase that a person 'is on my heart'.
This is an opportunity to think about what is on your heart.
Draw 4 hearts on a piece of paper. Write your name on one heart.
On the next heart write a few words to describe how you feel about the coming year. Your hopes and dreams as well as concerns.
On the next heart write the name of your class, your school, or a group that you will work with this term.
On the last heart write a few words to describe your concerns, hopes or prayer for them for the coming term.
Place your hands on the hearts and, if you wish, pray and know that God loves you.

Yours sincerely
